CR170 Extra Large Capacity Dehumidifier

- The CR170 is one of the most powerful large refrigerant dehumidifiers
- Standard 10amp power—240volt 50Hz
- This rotary compressor equipped unit offers around 100 litre water extraction per 24hours* See above (via advanced refrigeration circuit).
- Servicing the needs of restorative and fire & flood customers
- Will produce exceptionally low relative humidity when required.
- Extremely easy to move — large diameter wheels & large lifting handle.
- Ideal for use in all indoor areas
- In-built condensate pump & Hour counter
- Quiet running, rugged steel industrial design
- Sound Level @ 3 m = 60dba ... Airflow = 1000m3/h
